

ICCPM 2018

2018 9th International Conference on
Construction and Project Management

October 24-26, 2018, Macau

2018 9th International Conference on Construction and Project Management (ICCPM 2018), which will be held during October 24-26, 2018, in Macau.

ICCPM is organized by IEDRC, which aims to bring together researchers, scientists, engineers, and scholar students to exchange and share their experiences, new ideas, and research results about all aspects of Construction and Project Management, and discuss the practical challenges encountered and the solutions adopted. The conference will be held every year to make it an ideal platform for people to share views and experiences in Construction and Project Management and related areas.

All honorable authors are kindly encouraged to contribute to and help shape the conference through submissions of their research abstracts and papers. Also, high quality research contributions describing original and unpublished results of conceptual, constructive, empirical, experimental, or theoretical work in all areas of Construction and Project Management are cordially invited for presentation at the conference. The conference solicits contributions of abstracts, papers and e-posters that address themes and topics of the conference, including figures, tables and references of novel research materials.

We offer two options in terms of publication as following, please format your paper to the template in the publication which is for your preference.

International Journal of Innovation, Management and Technology (IJIMT, ISSN: 2010-0248, DOI: 10.18178/IJIMT) as one volume, and will be included in the Abstracting/ Indexing: Google Scholar, Ulrich's Periodicals Directory, Engineering & Technology Digital Library, Crossref and ProQuest, Electronic Journals Library.
